A DAY FOR LOVE contains three of Mary Balogh's older regency romance novellas, all of which appeared in multi-author anthologies in the early 1990s. With fair ladies, notorious rakes, and scandalous lovers, this collection captures the unique magic, passion, and romance of St. Valentine's Day.

[Valentine's Days is a holiday that celebrates the unique love relationship between men and women. The joy of romance, along with its associated products and services, meets with vigorous promotion during this month each year. Properly speaking, there should be a special day set aside to honor one's beloved. But today's popular portrayal of love, especially the romantic variety, is not without...](#)
