[BOOK REVIEW: Beacon 23: The Complete Novel by Hugh Howey](#)

Would you consider the audio edition of Beacon 23: The Complete Novel to be better than the print version? Yes; I think the life the narrator brings gives depth that the written word would not. Especially since this is all told in the first person by the narrator. Any additional comments? 3.5 stars. An odd, slightly surreal, trippy little book.

Review by Nigel (290216) Rating (8/10). Review by Nigel Rating 8/10 Beacon 23 tells the story of a war veteran looking for solitude in the future equivalent of an earthly lighthouse. The Beacons consist of a Gravity Wave Broadcaster (GWB) that allows the faster-than-light spaceships to navigate the cosmos safely by broadcasting to them all the local gravitational disturbances as they travel ...
