Champion of Mars is a good update on the old Sword-and-Planet tales on Mars, blending in high technology with quantum mechanics and even some hints of the Cthulhu Mythos with the Stone Kin. I wasn't expecting the near future sections, but they were very good, and with some other excerpts through the timeline of Mars, effectively showed how the ...

On second thought, this is who we want to see fight the champion of Mars. As for Clay, he was a 22 year old coming off of two fairly pathetic victories (he even got knocked down in one of them). Liston was a 7-1 favorite to send Ali's severed head flying off into the 10th row, somehow still screaming the whole way.
