5.0 out of 5 stars [Easy_Jams_Chutneys_and_Preserves](#). Reviewed in the United Kingdom on February 25, 2011. Verified Purchase. This is one of three books I purchased because I was embarking on preserve making as a new career. The book was very helpful and informative. Val and John Harrison write from experience and are willing to pass it on.

[What Others Say About Easy_Jams_Chutneys_and_Preserves](#). I'm not much of a chutney maker usually but I've had to rearrange my kitchen cupboards to store all the stuff I've made from this book. Good, clear instructions and quite a range of things to try. A godsend in the middle of an allotment marrow and tomato glut.

[The main news is the launch of our new book: Easy_Jams_Chutneys_and_Preserves](#). This one is a joint effort between Val and myself. She's the real 'expert' on making these things but I have made some jams and chutneys myself over the years as well as doing the labels and eating the contents of the jars!
