William Curley's shop in Richmond is an absolute treasure trove of treats and would absolutely love to be able to recreate some of them at home. Otherwise I know it's not too crazy, she got the recipe from Peach Melba in Patisserie: A Masterclass in Classic and Contemporary Patisserie. Which is a way fancier dessert that incorporates panna cotta. This is an awesome cookbook full of very fancy desserts that are amazing! If you like to bake it's highly recommended.
