The Last Colony is the third book in a (currently) six book series with a few novella's thrown in. If you haven't heard of them before, please start with Old Man's War, the first in the series as it's an ongoing story line and you won't understand a lot of what is going on without them.

The Last Colony is the 3rd novel in Scalzi's Old Man's War series. It reunites John Perry with Jane Sagan and shifts from within the Colonial Union military to a Colony perspective. But don't worry, there's still a bunch of thrills, spills and explosions to keep you entertained. I'm loving this series and I think this book was the best one so far.
